London residential for Y6 children  
Date: 26th and 27th June 2024

Dear Parents & Carers,

Re: Y6 London Residential EXPRESSION OF INTEREST

We have the exciting opportunity to take Year 6 children from across the Trust to London on an overnight city residential. We will be visiting a range of tourist attractions including the Tower of London and the Natural History Museum, as well as watching a musical in the West End in the evening. There will be another outing included in the price, which is yet to be confirmed, and the children will receive an evening meal. We will travel by private coach and stay overnight in a hostel, designed for groups of children.

We would like to gauge how many children would like to attend this overnight residential so we can ensure that the arrangements cater for the number of children who would like to come. The cost of this trip is likely to be around £300-£330 per child, with initial deposits of £50 due at the beginning of November. We aim to spread the cost of this residential over as much time as possible to support families to make smaller payments each time as we are aware that the rising costs of living are impacting in many areas, including the costs of travel for an experience like this.

Residentials are the only school trips and events we charge for and Discovery MAT subsidise the cost of these to help as many families as possible send their children on at least one of our KS2 residentials.

Please send the slip below back to school by Friday 6<sup>th</sup> October expressing an interest in your child attending the trip so we can confirm numbers and finalise the cost of the residential. We should then be able to send information with payment dates before half term.

Should you have any questions, please do not hesitate to ask.

Kind regards,  
Miss Katie Hammond  
Head of School

LONDON RESIDENTIAL TRIP for Y6 children.

Child's Name: \_\_\_\_\_

I would like to express an interest in my child attending the London overnight residential trip on 26th and 27th June 2024.
