Dear Parent and carer,

As part of our residential opportunities, we have altered our venue for our year 5 outdoor experience and are now looking to go with a company called Reach Outdoors, based in Paignton. Children will have the opportunity to spend 3 days (2 nights) with a group of year 5 children from the MAT, trying new and exciting opportunities that we would not be able to provide in school.

The Year 5 pupils from across the MAT, went last year and thoroughly enjoyed themselves. In addition to this, the unique addition is the accommodation, as the children will be camping in Bell tents, on a safe site with the adults.

We feel this is a wonderful opportunity for the children to participate in, but spaces are limited and are on a first come (and deposit paid) first served basis.

The cost, per child, for this trip is around £150.

As the cost of living has increased we just wanted to put out a letter on interest to all Year 5 parents to see if this was something you still wish to go ahead.

Please could you indicate below you would like your child to go on the residential and are happy to pay around (£150) the price may vary slightly due to timing of booking and numbers.

Many thanks

Katie Hammond
