Friday 6th December 2024

Hello everyone I hope you've had a good week!

We have had a busy week here at Oakwood which included the Rocksteady concert on Tuesday and Year 4/5 pupils visiting the Planetarium at Beechwood.

I have seen some wonderful handwriting this week across all year groups and I've enjoyed visiting the classrooms throughout the week.

Please check the dates opposite, hopefully we can see as many of you as possible during the Christmas period in school.

Have a lovely weekend!

Any parents who missed the consenting process and still wish their child to have the flu vaccine, please ask them to call us on 01392 342 678 and we will complete a consent form over the phone and refer them to book into one of our community clinics to be vaccinated.

5 reasons to vaccinate your child against flu

- The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
- The nasal spray is painless and easy to have
- Flu can be really serious, especially for children with medical conditions like heart disease and diabetes
- If your child gets flu you may have to take time off to look after them
- Protecting your child can stop flu spreading to other children and the family, especially babies and grandparents, who may be at higher risk from flu.

What should I do?

This year all 2-, 3- and 4-year-olds and children in school years 1, 2 and 3 are being offered the free flu vaccination. You will be contacted to let you know where your child will be vaccinated.*

*In some parts of the country, all primary school-aged children will be offered the vaccine.

Running Club!

Those children that have signed up for this running club must attend running club in the Spring Term to build up the stamina for the run.
Sorry the sign up deadline has passed, no more sign ups allowed.

We are delighted to offer a running club in the Spring term for children across the school. The aim of the club is to promote a positive lifestyle, improve mental health and create a positive relationship with movement for life.

In addition to this aim, we would like the children who are joining running club to sign up for the Plymouth Schools Half Marathon Challenge which is held every year in May, on the Plymouth Hoe. This years event is being held on **Sunday 11th May.**

This event is part of the Half Marathon event which is run over 13.1 miles on the same day. Children from schools all over Plymouth will train at school and at home to build up their running stamina and cover 12.1 miles before 28th April and then run their final mile on the Hoe on the 11th May. Parents/carers will be required to take their children to the event and be present at the event until completion. Staff will be volunteering their time to support the event.

What is Circle of Security?

Circle of Security is an 8 week programme available at various locations around Plymouth for parents and carer's focusing on attachment and attunement. The course aims to support in making sense of what our children are really asking.

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you? The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

Using the COSP™ model developed by the Circle of Security originators, our trained Facilitators at Family Hubs work with parents and care-givers to help them to:

- Understand their child's emotional world by learning to read emotional needs
- Support their child's ability to successfully manage emotions
- Enhance the development of their child's self esteem
- Honor the innate wisdom and desire for their child to be secure
