

## Oakwood Primary Academy Extra Curricular Clubs Overview 2023/24

The ethos at Oakwood Primary Academy is about opening doors for our children and ensuring that every pupil has a broad range of experiences and opportunities both within the curriculum and as part of our extra-curricular programme.

Each year our teachers and TAs will be offering a range of exciting extra-curricular clubs and share their expertise or interests with the children. In addition to this, we host a number of outside organisations who provide clubs for children to join.

The table below gives an overview of the clubs we are planning to offer for the rest of this year. We are sure that even more opportunities will present themselves as the year progresses. The children will also be consulted through Pupil Council (School Champions) to ensure that we are meeting as many of their interests as we can.

Please fill in the following form to sign your child up to a club:
