Friday 8th November 2024

Hello everyone, and welcome back after the half term break. Your children have come back into school ready to learn and tackle new curriculum areas with their class teaching team and classmates.

Remembrance Lunch

Thank you to everyone that attended the Remembrance Day lunch on Wednesday this week. We welcomed over 110 parents, grandparents and friends to school to share lunch with their children and grandchildren. It was so lovely to welcome so many of you into school. As I said at the time, I and the Oakwood Team are looking forward to welcoming you into school as often as possible.

A huge thank you to all the staff who helped make this event such a success and in particular thank you to Susan and the catering team for cooking such a delicious lunch and feeding over 300 people in less than 2 hours!

We will be holding a 2 minute silence at 11am in the school hall for all pupils and staff on Monday 11th November.

School Champions and Children in Need

I met with our school champions this week, they are full of ideas and opinions!

One item they were all agreed on was that they would like to organise a mufti day for Children in Need on **Friday 15th November**. For a small donation children can come to school dressed in Spotty mufti or anything Children in need related.

We also discussed a range of other ideas, from activities relating to outdoor play to handwriting pens! I look forward to catching up with our School Champions again towards the end of term.

Henry VIII drops by!

Year 6 were treated to a visit from Henry VIII on Wednesday of this week, a truly magical historical experience. The children were taken back to the Tudor era. The day has been full of amazing facts, Tudor games, history trails and meeting the famous King himself. We will be using all of the new information to help with our new topic Tudors: Port of Plymouth.

All at Oakwood hope you have a lovely weekend, see you on Monday. Mr Arnold and the Oakwood Team.

Also included are activities for you to do together at home, to complement the in-school lessons.

Any parents who missed the consenting process and still wish their child to have the flu vaccine, please ask them to call us on 01392 342 678 and we will complete a consent form over the phone and refer them to book into one of our community clinics to be vaccinated.

5 reasons to vaccinate your child against flu

- The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record
- The nasal spray is painless and easy to have
- Flu can be really serious, especially for children with medical conditions like heart disease and diabetes
- If your child gets flu you may have to take time off to look after them
- Protecting your child can stop flu spreading to other children and the family, especially babies and grandparents, who may be at higher risk from flu.

What should I do?

This year all 2-, 3- and 4-year-olds and children in school years 1, 2 and 3 are being offered the free flu vaccination. You will be contacted to let you know where your child will be vaccinated.*

*In some parts of the country, all primary school-aged children will be offered the vaccine.

What is Circle of Security?

Circle of Security is an 8 week programme available at various locations around Plymouth for parents and carer's focusing on attachment and attunement. The course aims to support in making sense of what our children are really asking.

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you? The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

Using the COSP™ model developed by the Circle of Security originators, our trained Facilitators at Family Hubs work with parents and care-givers to help them to:

- Understand their child's emotional world by learning to read emotional needs
- Support their child's ability to successfully manage emotions
- Enhance the development of their child's self esteem
- Honor the innate wisdom and desire for their child to be secure
